

10th Annual Southern Ontario Graduate Information Session

The Southern Ontario Graduate Information Session is an annual event held at McMaster University in Hamilton, Ontario. The purpose is to allow undergraduate students in the chemical sciences to be informed of all graduate options in chemistry or related disciplines. This year, on January 30, professors from 17 leading universities in Canada will be presenting their institution's graduate program in the chemical sciences. The event will be free of charge and we will subsidize travel cost if you register in advance (contact Jeffrey Price, e-mail address below).

Highlights

- ◆ Presentations and poster session by 17 leading Canadian graduate chemistry programs
- ◆ Complimentary lunch during the event
- ◆ Free of charge for all undergraduate students in Ontario
